Useful information

- This is a service to West Midlands Region. Buses take passengers to Birmingham where they can transfer to buses to different cities.
 - The ticket is a daypass that is valid until midnight on the day of arrival.
 - The transfer drops off and picks up passengers at the given point(s) in the city only. This transfer cannot stop at other places.
 - Journey time to Birmingham: approx. 45 minutes
 - We can only accept complaints about the time of bus departure if there were at least two hours difference between the timetable/bus departure time that we communicate and the actual times of the journey. If the transfer is completed, a two hour difference of this sort does not constitute a modification of the contract, and cannot be a cause for complaint.
 - By purchasing the service, you accept and acknowledge our terms and conditions of travel.
 - By purchasing the service, you take on responsibility for the accuracy of the information given.
 - Please note that the system will also allow transfer reservations if the date of the transfer falls outside the service period. Since we inform our passengers about service periods prior to payment, we cannot accept complaints regarding bookings made in error in this respect.
 - **Withdrawal:** given that the transfer ticket only entitles the passenger to a transfer as a passenger transport service at a particular time and on a particular date which the passenger has specified in advance, the passenger has no right of withdrawal after they have bought the travel ticket.
