## **Useful information**

- Our city shuttle service is a shared service we pick-up/drop-off passengers at different locations.
- \*In Paphos Town and Coral Bay we only provide transfer to specific hotels/appts. See the full list below.
- O Journey time: approximately 60-120 minutes depending on the destination
- It is important that the booked transfer gets only confirmed if the correct destination/pick-up city is given. Bookings not containing a destination/pick-up city will be inactivated and no refunds will be made.
- O The transfer leaves approximately 60 minutes after the flight arrival.
- From the city to the airport your pick-up time is approx. 4 hours prior to your scheduled flight departure time. To confirm your precise pick-up time and location from the city you MUST contact our local partner 24 hrs before travel! (Additional charges may apply.)
- We can only accept complaints about the time of bus departure if there were at least two hours difference between the timetable/bus departure time that we communicate and the actual times of the journey. If the transfer is completed, a two hour difference of this sort does not constitute a modification of the contract, and cannot be a cause for complaint.
- By purchasing the service, you accept and acknowledge our terms and conditions of travel.
- O By purchasing the service, you take on responsibility for the accuracy of the information given.
- O Please note that the system will also allow transfer reservations if the date of the transfer falls outside the service period. Since we inform our passengers about service periods prior to payment, we cannot accept complaints regarding bookings made in error in this respect.
- Withdrawal: given that the transfer ticket only entitles the passenger to a transfer as a passenger transport service at a particular time and on a particular date which the passenger has specified in advance, the passenger has no right of withdrawal after they have bought the travel ticket.
